# OVER \$150,000 EFC SCHOLARSHIP PROGRAM

Be a part of innovation in the electrical  
and electronic industries

**APPLY TODAY:** [scholarship.electrofed.com](http://scholarship.electrofed.com)

APPLICATION DEADLINE:  
**MAY 31, 2017**

## CHAIR'S REPORT

ELECTRO·FEDERATION  
C A N A D A

# Creating Awareness and Opportunity for Canadian Students

**T**he EFC Scholarship Program is making an impact in our industry. In addition to providing financial support to Canadian university and college students, our members are engaging with the recipients by meeting with them and educating them on both their company and the electrical industry. In some cases, scholarship recipients are even offered employment.

The companies listed in this brochure are leaders in our industry and understand the EFC Scholarship Program goes well beyond providing funding. It increases students' awareness of career opportunities in Engineering, Sales, Marketing, Finance, Management, Operations, Information Technology and Human Resources. The program also provides members with a corporate social responsibility tool, builds their brand within and outside of the industry and offers support for their employees with children, family and friends who can also apply if eligible.

This year we are continuing to grow the program offering over \$150,000/57 scholarships. In 2016, the program awarded \$138,000. View the list of worthy 2016 recipients at [www.electrofed.com/scholarships](http://www.electrofed.com/scholarships).

The Scholarship Program delivers a wide range of offerings from manufacturers, distributors and associations. Students are encouraged to explore all scholarship opportunities and apply at [scholarship.electrofed.com](http://scholarship.electrofed.com). This brochure provides details and application requirements for each scholarship with additional information at [www.electrofed.com/scholarships/](http://www.electrofed.com/scholarships/).

Thank you to the committed EFC Scholarship Committee for their hard work and to every member that makes this initiative possible. We look forward to sharing the 2017 scholarship recipients this coming fall.

**Joris Myny**  
Chair, EFC Scholarship Program

Siemens Canada Limited  
Sr. Vice President, Digital Factory Division  
Process Industries & Drives Division

## 2017 EFC MEMBER SPONSORS:

**Now in its 22nd year, the EFC Scholarship Program connects the brightest Canadian students with exciting careers in the Electrical and Electronics Industries!**

## **ARE YOU ELIGIBLE?**

All applicants must be Canadian citizens who have completed at least their first year of study, have maintained a minimum 75% average\* and be registered in a full-time eligible post-secondary degree or diploma program at a recognized Canadian university or college. **Applicants may apply for a total of only three scholarships. Some scholarships require EFC member affiliation; view membership list at [www.electrofed.com/members](http://www.electrofed.com/members).**

For EFC scholarships, preference will be given to those applicants who are pursuing post-secondary education in a discipline which targets a career in the Electrical industry, such as Electrical Engineering, Electrical Technologist, Electrical Technician, Certified Electrical Technologist, Industrial Distribution, and Business Administration. For corporate scholarships, please refer to the eligibility criteria of the individual sponsors. **[scholarship.electrofed.com](http://scholarship.electrofed.com).**

## **57 SCHOLARSHIPS AVAILABLE**

### **CORPORATE-SPONSORED SCHOLARSHIPS:**

- ▶ **AFFILIATED DISTRIBUTORS (AD) ELECTRICAL INDUSTRY SCHOLARSHIP - \$3,500**
- ▶ **BURNDY CANADA INC. ACADEMIC ACHIEVEMENT AWARD - \$3,500**
- ▶ **BRK AWARD OF EXCELLENCE - \$3,500**
- ▶ **THE CONVECTAIR ENERGY EFFICIENCY SCHOLARSHIP AWARD - \$3,500**
- ▶ **DESDOWD SCHOLARSHIP OF EXCELLENCE IN QUEBEC - \$3,500**
- ▶ **EATON AWARDS OF ACADEMIC ACHIEVEMENT - \$3,500 (TWO AVAILABLE)**
- ▶ **E.B. HORSMAN & SON (EBH) SCHOLARSHIP AWARDS - \$1750, \$1250 AND \$750 (THREE AVAILABLE)**
- ▶ **THE EDDY GROUP SCHOLARSHIP AWARD - \$3,500**
- ▶ **ELECTROZAD SUPPLY MEMORIAL SCHOLARSHIP AWARD - \$3,500**
- ▶ **EMERSON AUTOMATION SOLUTIONS SCHOLARSHIP AWARD - \$3,500**
- ▶ **FRANKLIN EMPIRE SCHOLARSHIP AWARD - \$3,500**
- ▶ **GRAYBAR CANADA AWARD OF EXCELLENCE SCHOLARSHIP - \$3,500**
- ▶ **HPS OUTSTANDING ELECTRICAL SCHOLAR AWARD - \$3,500**
- ▶ **HUBBELL CANADA LP "ELECTRICAL INDUSTRY LEADERSHIP" SCHOLARSHIP AWARD - \$3,500**
- ▶ **IDEAL SUPPLY SCHOLARSHIP AWARD - \$3,500**
- ▶ **IPEX INNOVATION SCHOLARSHIP - \$3,500**
- ▶ **THE LEDVANCE MORE THAN LIGHT SCHOLASTIC ACHIEVEMENT AWARD - \$3,500**
- ▶ **THE LITELINE LIGHTING INNOVATION SCHOLARSHIP - \$3,500**
- ▶ **LUTRON CANADA AWARD OF EXCELLENCE - \$3,500**
- ▶ **MAGIC LITE FUTURE LEADERS AWARD SCHOLARSHIP - \$3,500**
- ▶ **OEN SUSTAINABLE DEVELOPMENT SCHOLARSHIP - \$3,500**
- ▶ **OEN WOMEN IN ENERGY SCHOLARSHIP - \$3,500**
- ▶ **OEN ABORIGINAL ENERGY SCHOLARSHIP - \$3,500**
- ▶ **PHILIPS LIGHTING CONTINUING EDUCATION AWARD - \$3,500**
- ▶ **RAB DESIGN LIGHTING AWARD OF EXCELLENCE - \$3,500**
- ▶ **RABC WILLIAM TAYLOR SCHOLARSHIP IN RADIOCOMMUNICATIONS AWARD - \$3,500**
- ▶ **THE ROCKWELL AUTOMATION CANADA OUTSTANDING ACHIEVEMENT AWARD - \$3,500**
- ▶ **S&C ELECTRIC CANADA LTD. SCHOLARSHIP AWARD - \$3,500**
- ▶ **SCHNEIDER ELECTRIC STUDENT MERIT AWARD - \$5,000**
- ▶ **SIEMENS CANADA ACADEMIC ACHIEVEMENT AWARDS - \$3,500 (THREE AVAILABLE)**
- ▶ **THE STANDARD® RECOGNITION OF EXCELLENCE AWARD - \$3,500**
- ▶ **STELPRO SCHOLARSHIP 360: ENERGIZING POTENTIAL - \$3,500**
- ▶ **TECHSPAN COMMUNICATION EXCELLENCE SCHOLARSHIP - \$3,500**
- ▶ **THOMAS & BETTS SCHOLARSHIP AWARD - \$3,500**
- ▶ **3M ELECTRICAL MARKETS DIVISION SCHOLARSHIP - \$3,500**
- ▶ **THE WESCO STUDENT ACHIEVEMENT AWARD - \$3,500**

### **SUPPORTERS:**

**BEGHELLI, CREE, DALTCO, DELTA, GREENLEE, HAMMOND MANUFACTURING, INDEPENDENT ELECTRICAL, KERRWIL, LEGRAND, LEVITON, NESCO, NORTHWINDS, REPTECH, RITTAL, SHAWCOR, SONEPAR.**

\*Electro-Federation Canada reserves the right to request verification of any information submitted by an applicant. All winners will be asked to provide both an official transcript and proof of 2017/2018 school enrollment prior to the scholarship being confirmed and awarded. An independent committee or scholarship sponsor determines all final selections. All decisions are final and not eligible for appeal.

**APPLY TODAY: [scholarship.electrofed.com](http://scholarship.electrofed.com)**  
**APPLICATION DEADLINE: MIDNIGHT, MAY 31<sup>ST</sup>, 2017**

# 2017 SCHOLARSHIP PROGRAM

## AFFILIATED DISTRIBUTORS (AD) ELECTRICAL INDUSTRY SCHOLARSHIP - \$3,500

The Affiliated Distributors (AD) Electrical Industry Scholarship will be awarded to either a family member of current Affiliate employees or a family member of any AD Canada Affiliate customer. The scholarship will be for a student in any post-secondary institution across Canada who has successfully completed at least the first year of any degree, diploma or electrical apprenticeship program. Priority will be given to students who have an electrical or electronics concentration. The successful student will have above-average marks in their current program and will have shown leadership in their school and community. For more information regarding Affiliated Distributors, [www.adhq.com](http://www.adhq.com).

The following Distributors are members of AD ESD Canada: B. A. Robinson Co. Ltd., B. J. Electric Supplies Ltd., Bartle & Gibson Co. Ltd., Beaulieu & Lamoureux Inc., Centre de Distribution Électrique Ltée., Daltco Electric & Supply (1979) Ltd., Deschênes et Fils Ltée., Diversified Ventures, Dubo Électrique Ltée., E.B. Horsman & Son, E.G. Penner Building Centres Ltd., Earl O'Neil Electric Supply Ltd., Eddy Group Limited, Électrimat Ltée., Electrozad Supply Company Limited, Epitron Inc., Franklin Empire Inc., Gerrie Electric Wholesale Ltd., Gimpel Electric Supply Ltd., Gray Electric Supplies Inc., Grey Bruce Electric Supply Inc., Harwell Electric Supply Co., Ltd., House of Electrical Supplies Ltd., Ideal Supply Co. Ltd., Independent Electric Supply Inc., J.D. Paré Électrique Inc., J.W. Bird & Company Limited, Lumisolution, Marchand Electrical Company Ltd., McLoughlan Supplies Ltd., Mercor Lighting, Powrmatic of Canada Ltd., Province Electric Supply Ltd., Robertson Electric Wholesale Ltd., Robinson Lighting Ltd., Rogers Electrical Wholesale Ltd., Source Atlantic, The Wiring Mart Ltd., Tradelco Inc., Western Equipment Limited.

## BURNDY CANADA INC. ACADEMIC ACHIEVEMENT AWARD - \$3,500

The Burndy Canada Inc. Academic Achievement Award will be granted to a college or university student who has completed at least one year of study in any area related to the Electrical Industry. Applicants must be either a current employee of Burndy Canada Inc. or related to someone currently employed with our company. In addition any applicant that is employed or related to a current employee of any Electrical Distributor or Manufacturer in the Canadian Electrical Industry can also apply.

Burndy Canada Inc. is a leader in Connectors, Tools and Supplies and is committed to elevating our industry through formal education. It is our goal to assist people in their pursuit of a career in this great Industry. For more information, visit [www.burndy.com](http://www.burndy.com).

## BRK AWARD OF EXCELLENCE - \$3,500

In 1964 the founders of BRK Brands, Inc. marketed the company's first commercial smoke alarm. BRK is still here, still making the most recognized professional and consumer brands of residential smoke and CO alarms on the market under the First Alert, BRK and Onelink brand names. The BRK Award of Excellence is designed to award a Canadian University student who has completed at least their second year of study in a Bachelor's of Commerce-focused degree program with a minimum cumulative average of 80%. Our scholarship will recognize a student who has gone over and above their studies with internship or volunteer work within their chosen field of study. For more information on BRK visit [www.brkcanada.ca](http://www.brkcanada.ca).

**APPLY TODAY:** [scholarship.electrofed.com](http://scholarship.electrofed.com)

# 2017 SCHOLARSHIP PROGRAM

## THE CONVECTAIR ENERGY EFFICIENCY SCHOLARSHIP AWARD - \$3,500

**CONVECTAIR** The Convectair Energy Efficiency Scholarship Award will be granted to a College or University student in the province of Quebec studying in engineering (electrical & mechanical) with an interest in energy efficiency. The award is open to students who have completed at least one year of academic studies with a minimum cumulative average of 80%. The recipient will be invited to receive his cheque at Convectair's head office and Center for expertise and training in Sainte-Thérèse, Québec.

Convectair is a manufacturer of high-end, high-efficiency electrical heaters for North-America since 1983. Our objective: ensure our client's thermal comfort all the while enabling real electrical savings by offering safe, energy efficient and durable heating products. Convectair has recently added to its head office its Centre for expertise and training to further the research on energy efficiency. For more information on Convectair, visit [www.convectair.ca](http://www.convectair.ca).

## DESDOWD SCHOLARSHIP OF EXCELLENCE IN QUEBEC : \$3,500

**T**he Desdowd scholarship is offered in memory of Pierre Dowd, founder of Desdowd, whose determination helped manufacturers' agents to be recognized in Quebec.

This scholarship will be awarded to a university or college student from Quebec who has successfully completed at least one year of studies in a discipline related to the electrical industry. Founded in 1967, Desdowd has offices in Montreal, Quebec and Ottawa. For almost 50 years, they have represented electrical manufacturers from Quebec and Ontario. They are very proud to maintain strong relationships with electrical distributors. For more information, visit [www.desdowd.com](http://www.desdowd.com).

## EATON AWARDS OF ACADEMIC ACHIEVEMENT - \$3,500 (TWO AVAILABLE)

**T**he Eaton Awards of Academic Achievement are granted to university or college students who have completed at least one year of academic studies with a minimum 80% average (2.5 GPA) whose parent/legal guardian is a full-time employee of an Electro-Federation Canada member in good standing. In addition, the winning students will be given consideration for either a permanent or summer employment position with Eaton's electrical sector in Canada.

Eaton's electrical business is a global leader with expertise in power distribution and circuit protection; backup power protection; control and automation; lighting and security; structural solutions and wiring devices; solutions for harsh and hazardous environments; and engineering services. Eaton is positioned through its global solutions to answer today's most critical electrical power management challenges. Eaton is a power management company with 2015 sales of \$20.9 billion. Eaton provides energy-efficient solutions that help our customers effectively manage electrical, hydraulic and mechanical power more efficiently, safely and sustainably. Eaton has approximately 96,000 employees and sells products to customers in more than 175 countries. For more information, visit [www.eaton.com](http://www.eaton.com).

## E.B. HORSMAN & SON (EBH) SCHOLARSHIP AWARDS - \$1750, \$1250 AND \$750 (THREE AVAILABLE)

**T**he E.B. Horsman & Son (EBH) Scholarship Awards will be for students currently attending any post-secondary institute in British Columbia or Alberta. Three students will be selected to receive one of the following awards: \$1750, \$1250

and \$750. The students will have successfully completed at least their first year of study in electrical apprenticeship, electrical technician, engineering/technology electrical, or a discipline related to the electrical industry. The successful student must have above-average marks in their current program and shown leadership in their community. EBH provides a separate Award to the British Columbia Institute of Technology and Kwantlen Polytechnic University as well as a Scholarship program for the families working for E.B. Horsman & Son. Founded in 1900, E.B. Horsman & Son is an independently-owned, full-line electrical distributor. They have 22 locations in Western Canada. For more information, visit [www.ebhorsman.com](http://www.ebhorsman.com).

**APPLY TODAY:** [scholarship.electrofed.com](http://scholarship.electrofed.com)

# 2017 SCHOLARSHIP PROGRAM

## THE GROUP SCHOLARSHIP AWARD - \$3,500

**T**he Eddy Group Limited Scholarship Award will be for a student attending any post-secondary institution in the Maritime Region. The student will have successfully completed at least their first year of any degree, diploma or apprenticeship program. The successful student must have above-average marks in their current program and have shown leadership in their school and/or community.

Preference will be given to relatives of Eddy Group Limited employees, its customers and its supplier partners. Eddy Group Limited is a Maritime-based wholesale distribution business that has been a construction industry partner for over 100 years. The fourth-generation family business with nine locations throughout New Brunswick and Nova Scotia takes pride in providing quality products, customized solutions and services to our industrial, commercial and residential customer base. For more information, [www.eddygroup.com](http://www.eddygroup.com).

## ELECTROZAD SUPPLY MEMORIAL SCHOLARSHIP AWARD - \$3,500

**T**he Electrozaad Supply Memorial Scholarship Award, valued at \$3,500, will be granted to a college or university student who has completed at least one year of study in the electrical, engineering, IT or business disciplines. This scholarship

is in memory of Bryan Smith, Electrozaad's first sales representative, past President, CEO and Chairman of the Board. Eligible students must have demonstrated community service through volunteerism, have achieved a cumulative average of 75%, be a Canadian citizen, and preference will be given to relatives of Electrozaad Supply, its customers and its vendor partners. Founded in 1955, Electrozaad is proud to be the largest privately held electrical distributor in Southwestern Ontario. Electrozaad has earned the reputation of *"The House that Service Built"*. For more information, visit [www.electrozaad.com](http://www.electrozaad.com).

## EMERSON AUTOMATION SOLUTIONS SCHOLARSHIP AWARD - \$3,500

**S**ponsored by Emerson's Appleton business, this scholarship will be granted to a Canadian student with demonstrated academic excellence with passion for solving some of the world's most complex industrial and infrastructure challenges knows to mankind. Eligible candidates

must be attending a Canadian university or college and completed their second year of study in an engineering (electrical, mechanical or industrial) program. The winning applicant will be considered for co-op, summer or permanent employment at Emerson. Emerson is a trusted partner committed to making the world a better place for our customers, our employees and our communities. Emerson is a global technology and engineering company providing innovative solutions for customers in industrial, commercial, and residential markets.

We are problem solvers. We are driven without compromise. We are Emerson. [www.emerson.com](http://www.emerson.com).

## FRANKLIN EMPIRE SCHOLARSHIP AWARD - \$3,500

**T**he Franklin Empire Scholarship Award is granted to a university, college, or trade school student, in Quebec or Ontario, who demonstrates academic excellence.

Eligible students must have completed two years of study in the field of electrical apprenticeship, electrical technician, engineering/technology (electrical, mechanical, industrial), or a discipline related to the electrical industry. Applicants must have maintained an average of 80%. The winning candidate will also be given consideration for summer employment and permanent employment with Franklin Empire upon completion of their studies.

Franklin Empire is a family-owned electrical distribution company since 1942. With 20 branches across Quebec and Ontario and four assembly and repair shops, Franklin Empire is proud to be the largest independent electrical distributor in Canada. For more information, visit [www.feinc.com](http://www.feinc.com).

**APPLY TODAY:** [scholarship.electrofed.com](http://scholarship.electrofed.com)

# 2017 SCHOLARSHIP PROGRAM

## GRAYBAR CANADA AWARD OF EXCELLENCE SCHOLARSHIP - \$3,500

The Graybar Canada Award of Excellence Scholarship will be granted to a student who has completed their first year of post-secondary education in either a business program, general arts, IT or a discipline related to the electrical industry and have maintained a minimum cumulative average of at least 80%. The scholarship is available to members or relatives of members of Electro-Federation and are attending a college or university in a province in which Graybar Canada operates a branch (excludes Quebec, Manitoba or Saskatchewan). The successful applicant will also have demonstrated a passion for community service with a clear vision towards their future. The winning applicant will also be given consideration for either a permanent or summer employment position with Graybar Canada.

Graybar Canada, an employee-owned company, is a wholesale distributor for thousands of items from leading manufacturers of electrical and communications and data products. Graybar Canada operates over 30 locations across the country. We are proud to support those students in their quest for higher education! For more information, visit [www.graybarcanada.com](http://www.graybarcanada.com).

## HPS OUTSTANDING ELECTRICAL SCHOLAR AWARD - \$3,500

Hammond Power  
Solutions Inc.

The HPS Outstanding Electrical Scholar Award, valued at \$3,500, is granted to an Ontario or Quebec university / college student currently enrolled in an approved post-secondary electrical program. Eligible students must have completed at least their second year of study in Electrical Engineering, Electrical Technology, Electrical Technician, Electrical Technologist, Industrial Electrician, or working towards completing an electrical apprenticeship. Students must demonstrate a minimum cumulative average of 75% to be considered, and preference will be given to students who commit to their industry through active membership with OACETT and/ or PEO, or to those who demonstrate active leadership in their school or community.

Hammond Power Solutions Inc. ([www.hammondpowersolutions.com](http://www.hammondpowersolutions.com)) is a North American leader for the design and manufacture of dry-type custom electrical engineered magnetics, electrical dry-type and cast resin transformers. Leading-edge engineering capabilities, high-quality products, and responsive service to customers' needs have all served to establish HPS as a technical and innovative leader in the electrical and electronic industries.

## HUBBELL CANADA LP "ELECTRICAL INDUSTRY LEADERSHIP" SCHOLARSHIP AWARD - \$3,500

The Scholarship will be awarded to a student enrolled in a Canadian university who has completed at least their first year of study in Business, Engineering or Science with a minimum cumulative average of 80%. The scholarship will recognize a student who has a demonstrated interest in a career path that will drive innovation and leadership in the electrical industry in Canada.

Hubbell Inc. continues to design and deliver high quality, innovative electrical products and services – our legacy since 1888. A socially-responsible organization, the company is focused on product and market development to meet the needs of the present without compromising the ability of future generations to meet their own needs, and is considered an "all-in" player in promoting the health and prosperity of the electrical business in Canada. For more information, visit [www.hubbellonline.com](http://www.hubbellonline.com).

**APPLY TODAY:** [scholarship.electrofed.com](http://scholarship.electrofed.com)

# 2017 SCHOLARSHIP PROGRAM

## IDEAL SUPPLY SCHOLARSHIP AWARD - \$3,500

**I**deal Supply Company is a full-line electrical distributor doing business in Southwestern Ontario since 1926. Based in Listowel and operating 30 branch locations, Ideal associates focus on “working as a team to provide great customer service”. The Company has a history of attracting great people who develop their careers and progress through various roles.

The Ideal Supply scholarship program will be awarded to a student who best demonstrates that their professional ambitions align with the goals and culture of the Ideal Supply organization. Candidates must be entering into an electrical or electronic related program or apprenticeship in an Ontario college or University. Additional consideration will be given to students who have achieved an accumulated average of 75% or greater, are Canadian citizens, and have displayed ongoing community engagement. For more information, visit [www.idealsupply.com](http://www.idealsupply.com).

## IPEX INNOVATION SCHOLARSHIP - \$3,500

**T**he IPEX Innovation Scholarship will be granted to a student who has completed at least the second year of a post-secondary program in engineering (electrical, industrial or mechanical), business administration or from a trades school (electrical, plumbing or construction program), and maintained a minimum cumulative average of 80%.

As a leader in thermoplastic piping systems, the IPEX Group of Companies designs, manufactures and distributes the largest, most recognized and diverse range of integrated piping products.

We are driven by a culture of innovation, talent development and passion to offer excellent customer service. We value our employees and believe that they are our most valuable asset. If you are looking for a strategic role, a chance to build and execute something special, please visit [www.ipexna.com](http://www.ipexna.com) (or [careers.ipexna.com](http://careers.ipexna.com)) for career opportunities.

## THE LEDVANCE *MORE THAN LIGHT* SCHOLASTIC ACHIEVEMENT AWARD - \$3,500

**T**he LEDVANCE *MORE THAN LIGHT* Scholastic Achievement Award is granted to a university student who has completed at least the second year of study with a minimum cumulative average of 85%. Eligible fields of study include environmental studies, lighting design, commerce, and business administration. LEDVANCE is one of the largest lighting manufacturers in the world and is committed to environmental responsibility through innovative and energy efficient lighting products and systems that deliver maximum performance without sacrificing the quality of light. The company sells products for homes and businesses primarily under the SYLVANIA brand name with Canadian headquarters in Mississauga, Ontario. For more information, visit [www.sylvania.com](http://www.sylvania.com).

## THE LITELINE LIGHTING INNOVATION SCHOLARSHIP - \$3,500

**T**he Liteline Lighting Innovation Scholarship is granted to a college or university student enrolled in a lighting design and/or electrical engineering program in Canada. The scholarship is open to Canadian residents who are entering their final program year and who have a cumulative 80% average. Applicants may be related to a Liteline employee, distributor, partner or customer. The Liteline Lighting Innovation Scholarship includes the opportunity to complete a summer internship and/or co-op position within the company with the potential for a full-time position should the applicant so desire.

Liteline Corp., is a leading manufacturer of innovative commercial and residential lighting solutions. Based in Canada, and serving North America, Liteline has built its 40 years of success on solving lighting problems and opening up market opportunities by delivering products that are high quality, easy-to-install, and fill market needs. We are proud to support the next generation of lighting experts.

**APPLY TODAY:** [scholarship.electrofed.com](http://scholarship.electrofed.com)

# 2017 SCHOLARSHIP PROGRAM

## LUTRON CANADA AWARD OF EXCELLENCE - \$3,500

The Lutron Electronics Canada Inc. Memorial Scholarship award is granted in memory of our founder Joel Spira who formed Lutron in 1961 to market his invention of the first solid-state dimmer for incandescent lighting.

Under his 54-year leadership, Lutron has developed products to control all types of light bulbs, including LEDs as well as shade and temperature controls. Eligible students must be enrolled in a Business or Engineering program from an accredited Canadian University having completed a minimum of two years in the program. Applicants must have maintained a minimum cumulative average of 80%. Lutron Electronics is the leader in the lighting control industry and offers a wide selection of energy saving dimmers and lighting control solutions. For more information please visit [www.lutron.com](http://www.lutron.com).

## MAGIC LITE FUTURE LEADERS AWARD SCHOLARSHIP - \$3,500

MAGIC LITE LTD.

The Magic Lite Future Leaders Award will be granted to a student who is a Canadian citizen currently enrolled in a Canadian University or Community College in Business/Commerce studies. The student must be currently enrolled, have completed one year of their studies and maintained a minimum 80% grade average. Preference will be given to students who have demonstrated leadership amongst their peers or in their community through participation in community or campus organizations. Preference will also be given to students who demonstrate entrepreneurial spirit and drive through their course selections and achievements.

Founded in 1985 Magic Lite is a privately-owned company and is a leading supplier of specialty lighting products to the Canadian market. Based in Burlington, Ontario, Magic Lite prides itself in bringing quality, innovative products and excellent service to the commercial and residential sectors of the lighting market. Entrepreneurship and forward thinking are what drives us!

## OEN SUSTAINABLE DEVELOPMENT SCHOLARSHIP - \$3500

The Ontario Energy Network (OEN) is a not-for-profit organization which provides networking opportunities in support of the energy industry in Ontario. In order to continue to thrive, the industry needs to recruit talented young people and a diverse workforce. The OEN Sustainable Development Scholarship will be granted to an Ontario undergraduate university or college student

in either sustainable development, engineering and electronics with a major focus on sustainable development, or environmental studies who has completed their first year of study with a minimum cumulative average of 80%, and who has demonstrated leadership and a commitment to community service. Our hope is that the candidate will explore career opportunities in the Ontario energy sector. Visit [www.ontarioenergynetwork.org](http://www.ontarioenergynetwork.org).

## OEN WOMEN IN ENERGY SCHOLARSHIP - \$3,500

The Ontario Energy Network (OEN) is a not-for-profit organization which provides networking opportunities in support of the energy industry in Ontario. In order to continue to thrive, the industry needs to recruit talented young people and a diverse workforce. The OEN Women in Energy Scholarship will be granted to a female Ontario undergraduate university or college student in

either an Engineering or Business program who has completed her first year of study with a minimum cumulative average of 80%, and who has demonstrated a commitment to community service. Our hope is that the candidate will explore career opportunities in the Ontario Energy sector. Visit [www.ontarioenergynetwork.org](http://www.ontarioenergynetwork.org).

**APPLY TODAY:** [scholarship.electrofed.com](http://scholarship.electrofed.com)

# 2017 SCHOLARSHIP PROGRAM

## OEN ABORIGINAL ENERGY SCHOLARSHIP - \$3,500

**T**he Ontario Energy Network (OEN) is a not-for-profit organization which provides networking opportunities in support of the energy industry in Ontario. In order to continue to thrive, the industry needs to recruit talented young people and a diverse workforce. The OEN Aboriginal Energy Scholarship will be granted to an Ontario Aboriginal undergraduate university or college student who has successfully completed at least one year of study in the electrical trade, engineering, IT or business disciplines, and who has demonstrated a commitment to community service. Our hope is that the candidate will explore career opportunities in the Ontario energy sector. Visit [www.ontarioenergynetwork.org](http://www.ontarioenergynetwork.org).

## PHILIPS LIGHTING CONTINUING EDUCATION AWARD - \$3,500

**T**he Philips Lighting Continuing Education Award will be granted to a college or university student who has completed at least one year of study in the electrical trade, engineering, IT or business disciplines. Applicants must be either a current employee or relative of someone currently employed within the Canadian Electrical Industry including electrical distributors, electrical engineers, lighting specifiers and electrical contractors.

Philips Lighting is the Canadian and Global leader in lighting providing lighting solutions, electronics and controls for the commercial, industrial, residential and institutional markets. For more information, visit [www.lighting.philips.ca](http://www.lighting.philips.ca).

## RAB DESIGN LIGHTING AWARD OF EXCELLENCE - \$3,500

**T**he RAB Design Lighting Award of Excellence is granted to a Canadian university or college student who has completed at least their first year of study in an Electrical, Electronics or Mechanical Engineering program. Students must demonstrate a minimum overall average of at least 75%.

RAB Design Lighting Inc. is a Canadian owned and operated company servicing the electrical distribution market with quality products and exceptional service for more than 40 years. In addition to RAB Design's broad range of HID and incandescent products, the Company is committed to energy conservation with its extensive line of LED products. For more information visit [www.rabdesign.ca](http://www.rabdesign.ca).

## RABC WILLIAM TAYLOR SCHOLARSHIP IN RADIOCOMMUNICATIONS AWARD - \$3,500

**T**he RABC William Taylor Scholarship will be granted to an engineering student who has completed at least their second year in an accredited Canadian University and plans on pursuing a career in telecommunications. The winner will demonstrate both academic excellence and a continuing contribution to their community at large. The Radio Advisory Board of Canada is an "association of associations" which represents most sectors of the radiocommunication business in Canada including, manufacturers, wireless carriers and service providers, network operators, broadcasters, public safety and national security radio network operators, and users. The Board also provides the Government of Canada with broadly-based, unbiased and expert technical advice regarding the management and use of the radio frequency spectrum in Canada. For more information, visit [www.rabc-cccr.ca/about.cfm](http://www.rabc-cccr.ca/about.cfm).

**APPLY TODAY:** [scholarship.electrofed.com](http://scholarship.electrofed.com)

# 2017 SCHOLARSHIP PROGRAM

## THE ROCKWELL AUTOMATION CANADA OUTSTANDING ACHIEVEMENT AWARD - \$3,500

**T**he Rockwell Automation Canada Outstanding Achievement Award will be granted to a female student in a STEM-related degree program, with at least two years of study. The scholarship will be awarded to the student who exhibits both exceptional leadership characteristics and academic standing. To apply for this scholarship, please submit your official transcript and a 500-word essay on how you demonstrate leadership and why STEM education is important to you.

Rockwell Automation, Inc. (NYSE: ROK), the world's largest company dedicated to industrial automation and information, makes its customers more productive and the world more sustainable. Headquartered in Milwaukee, Wis., Rockwell Automation employs approximately 22,000 people serving customers in more than 80 countries.

## S&C ELECTRIC CANADA LTD. SCHOLARSHIP AWARD - \$3,500

# 2017 SCHOLARSHIP PROGRAM

## THE STANDARD® RECOGNITION OF EXCELLENCE AWARD - \$3,500

**T**he STANDARD® Recognition of Excellence Award is granted to a Canadian university or college student who demonstrates academic excellence. Eligible students must have completed two years of study in business administration/commerce and must have maintained a minimum cumulative average of 80%. STANDARD Products Inc. is a privately-held, family-owned Canadian supplier of lighting solutions to the commercial, industrial and residential markets. Headquartered in Montreal, STANDARD has over 30 years of experience in the industry, and has become a Platinum Club member of Canada's Best Managed Companies program by retaining its 'Best Managed' designation for the seventh consecutive year. STANDARD is also on the commendation list of the top 300 small and medium-sized enterprises (SMEs) in Québec by Les Affaires.

For more information, visit [www.standardpro.com](http://www.standardpro.com).

## STELPRO SCHOLARSHIP 360: ENERGIZING POTENTIAL - \$3,500

**T**his scholarship will be offered to a native Quebec resident whose academic and/or professional path has led them to pursue a career in the electrical industry. Eligible candidates must be enrolled in either a vocational training program, college or university degree program. The recipient will have distinguished themselves by a well-rounded portfolio of achievement both academically and personally. The selection committee will be comprised of members of the Stelpro executive team and the successful recipient will be called on to receive their scholarship at Stelpro's head office and manufacturing facility in Saint-Bruno-de-Montarville, Quebec. Stelpro is a family-owned business, whose roots have been established in Quebec since 1981. A leading North American manufacturer of electrical heating and ventilation products and one of Canada's Best Managed Companies, Stelpro offers a vast product selection designed with your comfort in mind. For more information on their 360 global comfort solution, visit [www.stelpro.com](http://www.stelpro.com).

## TECHSPAN COMMUNICATION EXCELLENCE SCHOLARSHIP - \$3,500

**T**he Techspan Industries Communication Excellence Scholarship will be granted to a student residing in Ontario or British Columbia who has completed their first year of post-secondary education in either a business or general arts program. They will have achieved an average of at least 80%. Preference will be given to applicants that submit a 1 to 2 minute video that clearly and succinctly presents a message concerning either their schooling, the electrical industry, or any passion that moves them as an individual. The video need not be fancy but demonstrate creativity, messaging and persuasiveness. Since 1989, Techspan has been supplying world class connector products to electrical wholesalers across Canada. Techspan has locations in Ontario and British Columbia. Visit [www.techspan.ca](http://www.techspan.ca)

# 2017 SCHOLARSHIP PROGRAM

## THOMAS & BETTS SCHOLARSHIP AWARD - \$3,500

**T**he Thomas & Betts Scholarship Award is more than a scholarship – it's an opportunity to change your life by demonstrating your determination to succeed. The Thomas & Betts Award will be granted to a student who has completed at least the second year of a post-secondary program in engineering (industrial, mechanical or electrical) or in operation management, who has maintained a minimum cumulative average of 75%, and who has demonstrated community involvement.

Thomas & Betts, a member of the ABB Group of companies, is a global leader in the design, manufacture and marketing of essential components used to manage the connection, distribution and reliability of electrical power in industrial, construction and utility applications. With a portfolio of over 200,000 products marketed under more than 45 premium brand names, Thomas & Betts products are found wherever electricity is used.

The company has a strong Canadian presence, with eight manufacturing facilities across the country, a distribution centre in Bromont, Quebec and headquarters in Saint-Jean-sur-Richelieu, Quebec. 80% of the company's products sold in Canada are manufactured in Canada. For more information, visit [www.tnb.ca](http://www.tnb.ca).

## 3M ELECTRICAL MARKETS DIVISION SCHOLARSHIP - \$3,500

**S**cience is at the heart of everything we do. For more than 100 years 3M scientists and engineers have been solving problems, applying our science in ways that make a positive impact on people's lives. Every day we explore, we connect and we invent. The 3M Electrical Markets Division Scholarship looks to help the next generation of innovators to step up and put their mark on the Electrical Industry in Canada.

This scholarship will be awarded to a student enrolled in a program directly related to the Electrical Industry that has completed at least one year of study. Students attending one of the following Ontario colleges or universities are welcome to apply: Humber College, Mohawk College, Conestoga College, University of Waterloo, or University of Toronto.

## THE WESCO STUDENT ACHIEVEMENT AWARD - \$3,500

**T**he WESCO Student Achievement Award is granted to a university or college student. Eligible students must have completed at least their first year of study in electrical engineering, electrical technology, or business administration, and maintained a minimum cumulative average of 80%. WESCO is a leading distributor of electrical, industrial, communications MRO & OEM products, construction materials, advanced supply-chain management and logistics services. Major markets include commercial, institutional & industrial construction, industrial processing & manufacturing, government, electrical utility, communications and property management (power & lighting controls). But, we are more than just a distributor. We are an entrepreneurial company that is customer-driven, market-focused, and solution-savvy, striving to deliver value, service, and results that exceed customer expectations.
